

CAPL Professional Education Program (P.Land, PSL)

Course Credit Description/Category

Ethics	Fiduciary Duties	Field Services	Oil & Gas Law	Negotiations	Regulations	Contracts
CAPL Ethics	CAPL Fiduciary Duties	1999 CAPL Freehold Mineral Lease	A practical Guide to Title Review and Acquisitions	1999 CAPL Freehold Mineral Lease	Alberta Crown Lease Continuation	1999 CAPL Freehold Mineral Lease
IRWA Ethics		Aboriginal Affairs	Acquisitions and Divestments: The Paper Chase	Aboriginal Affairs	Alberta Limitations Act	A Practical Guide to Title Review and Acquisitions
		Advanced Surface Rights	Advanced Surface Rights	Alternative Dispute Resolution IRWA Course 203	Alberta P & NG Regulations	Acquisitions and Divestments: The Paper Chase
		Alternative Dispute Resolution IRWA Course 203	Canadian Land Titles IRWA Course 801C	Bargaining Negotiations IRWA Course 205	British Columbia P & NG Regulations	An interpretive Approach to Dealing with ROFR Issues
		Canadian Land Titles IRWA Course 801C	CAPL Farm Out and Royalty Procedure	Business Strategies for the Oil and Gas Industry	Concurrent Gas Bitumen Production	Canadian Land Titles IRWA Course 801C
		Conflict Management IRWA Course 213	CAPL Farm Out and Royalty Procedure Workshop	CAPL Farm Out and Royalty Procedure	Directive 56 AEUB Energy Development Application Guide 60	CAPL Farm Out and Royalty Procedure
		Constructive Conflict Management	CAPL Operating Procedure (1990) Case Studies	CAPL Farm Out and Royalty Procedure Workshop	Industry Activity and Mitigation of Groundwater Effects D35	CAPL Farm Out and Royalty Procedure Workshop
		Directive 56 AEUB Energy Development Application Guide 60	CAPL Operating Procedure (1990, 2007) Overview of Operational Issues	CAPL Operating Procedure (1990) Case Studies	Introduction to Surface Rights	CAPL Operating Procedure (1990) Case Studies
		Drilling and Production Operations	CAPL Operating Procedure Boot Camp	CAPL Operating Procedure (1990, 2007) Overview of Operational Issues	Northern Issues	CAPL Operating Procedure (1990, 2007) Overview of Operational Issues

CAPL Professional Education Program (P.Land, PSL)

Course Credit Description/Category

Ethics	Fiduciary Duties	Field Services	Oil & Gas Law	Negotiations	Regulations	Contracts
		Effective Public Involvement	CAPL Operating Procedure (1990, 2007)	CAPL Operating Procedure Boot Camp	Oil Sand Tenure	CAPL Operating Procedure Boot Camp
		Facilities Overview	CAPL Property Transfer Procedure	CAPL Operating Procedure (1990, 2007)	Saskatchewan P & NG Regulations	CAPL Operating Procedure (1990, 2007)
		Farm and Ranching Practices	CAPL Royalty Procedure	Conflict Management IRWA Course 213	Surface Rights Law	CAPL Property Transfer Procedure
		Freehold Mineral Lease	Contractual Issues Relating to Acquisitions and Divestments	Constructive Conflict Management	The Law of Pooling: Voluntary and Compulsory	CAPL Royalty Procedure
		Fundamentals of Surface Agreements	Conventional Exploration Agreements (Junior Level)	Conventional Exploration Agreements (Junior Level)	Unconventional Gas – The Next Step	Contractual Issues Relating to Acquisitions and Divestments
		Geology	Fundamentals of Oil and Gas Law	Dealing with Difficult People (Instructor Doug McDougall) AASLA April 2009	Well Spacing and Holdings	Conventional Exploration Agreements (Junior Level)
		Geophysics for non Geophysicists	Fundamentals of Surface Agreements	Drilling and Production Operations		Freehold Mineral Lease
		Industry Activity and Mitigation of Groundwater Effects D35	Introduction to Surface Rights	Economic Considerations for Land Deals		Fundamentals of Surface Agreements
		Integrated Crop Management - Olds College	Overview of Surface Law and Contracts- AASLA Conference 2008	Effective Public Involvement		Overview of Surface Law and Contracts AASLA Conference 2008
		Introduction to Petroleum Land Administration	Principles of Contract Drafting and Interpretation	Freehold Mineral Lease		Principles of Contract Drafting and Interpretation
		Introduction to Surface Rights	Production Agreements	Geology		Production Agreements

CAPL Professional Education Program (P.Land, PSL)

Course Credit Description/Category

Ethics	Fiduciary Duties	Field Services	Oil & Gas Law	Negotiations	Regulations	Contracts
		Northern Issues	Property Trades, Acquisitions and Divestments	Geophysics for non Geophysicists		Property Trades, Acquisitions and Divestments
		Oil and Gas Exploration Interactive Workshop	Rights, Privileges, Responsibilities of Seismic Data Ownership	Natural Gas from Coal: Emerging Opportunities and Challenges		Rights, Privileges, Responsibilities of Seismic Data Ownership
		Overview of livestock and crop operations AASLA Conference 2007	ROFR Law: Overview of Practical Issues for the Senior Landman	Negotiating: The essential Skill for Landmen		ROFR Law: Overview of Practical Issues for the Senior Landman
		Overview of Surface Law and Contracts AASLA Conference 2008	Royalty Agreements	Negotiation Skills for Surface Land Agents		Royalty Agreements
		Overview to Contracts Administration	Selected Developments in Oil and Gas Law	Northern Issues		Royalty Calculations: A Case Study Approach
		Preparing for a Surface Rights Board Hearing	Surface Rights Law	Resolving Conflict Through Negotiation		Understanding Natural Gas and Crude Oil Marketing
		Rights, Privileges, Responsibilities of Seismic Data Ownership	The Law of Pooling: Voluntary and Compulsory	Rights, Privileges, Responsibilities of Seismic Data Ownership		Understanding Natural Gas Markets and Gas Marketing
		Surface Land Management	Unconventional Gas – The Next Step	Surface Land Management		
		Surface Rights Law	Understanding Natural Gas and Crude Oil Marketing	The Law of Pooling: Voluntary and Compulsory		
		Understanding well Logs	Understanding Natural Gas Markets and Gas Marketing	Unconventional Gas – The Next Step		
				Understanding Natural Gas and Crude Oil		

CAPL Professional Education Program (P.Land, PSL)
Course Credit Description/Category

Ethics	Fiduciary Duties	Field Services	Oil & Gas Law	Negotiations	Regulations	Contracts
				Understanding Natural Gas Markets and Gas Marketing		
				Understanding Oil and Gas Start-Ups (Part 1)		
				Understanding Oil and Gas Start-Ups (Part 2) Now you're a Year Old		
				Understanding well Logs
