

Murphy Oil Company Ltd. is a senior energy company based in Calgary, Alberta. We have over 50 years of experience in the Canadian oil and gas industry. Our large asset base and versatility, combined with investments in major projects such as Syncrude, Hibernia and Terra Nova, provide us with abundant financial resources to effectively support an aggressive, but focused, capital program.

CONTRACT SURFACE LANDMAN

Competition Number A – 0020

Working out of our Calgary office, you will:

- Acquire of surface land agreements (initially or through amendment) including surface leases for well pad sites; road use agreements and easements; rights of way for flowlines and pipelines, and any other as required.
- Administer the above agreements on follow-up basis as required, i.e., post-acquisition issues and concerns which must be addressed.
- Enhance and maintain effective and cordial relations with area residents and stakeholders, other companies operating in our areas and the government (e.g., Alberta Energy and Resources Conservation Board [ERCB], Department of Energy, other companies [DOE], and communities and towns in the area.)

You have at least five to eight years' directly related experience, in all areas of surface land acquisition and administration. You must also hold a current Alberta Land Agent's license.

If you are interested in this contract position, please forward your resumé and rate expectations, quoting the competition number, to: Murphy Oil Company Ltd., P.O. Box 2721 Station "M", Calgary, Alberta T2P 3Y3, Attention: Manager, Human Resources, or e-mail: careers_hr@murphyoilcorp.com. The deadline for applications is August 31, 2010.

No agency or telephone inquiries please. We wish to thank all applicants for their interest in this position and advise that only candidates selected for interviews will be contacted.
