Job Title: Surface Landman
Department: Land
Location: Calgary
Reports To: Manager, Surface Land

At ARC, our strong track record of success has been built on our core belief that outstanding people, combined with a great corporate culture creates a winning environment.

We are currently seeking a Surface Landman for a position in our Surface Land team. The successful candidate will have broad based knowledge of the oil and gas industry as well extensive working knowledge of all surface related matters in Western Canada. This exciting full-time, permanent position is based in Calgary and reports to the Manager, Surface Land.

RESPONSIBILITIES:

- Acquire, coordinate and negotiate surface land acquisitions.
- Proactively build and maintain strong stakeholder relationships.
- Coordinate and negotiate damage settlements and rental reviews.
- Develop and maintain efficient communication and cohesion within operational groups.
- Coordinate and manage aboriginal consultation.
- Provide strong mentorship within the surface land team.
- Commitment to demonstrating a high level of professionalism, self discipline, and integrity.

QUALIFICATIONS:

The ideal candidates will have a valid Land Agent License and a minimum of 5-10 years experience as a Surface Landman. Graduation from an accredited Surface Land Program is preferred. Exceptional communication and interpersonal skills are essential. Must have the proven ability to balance multiple priorities and work in a team environment.

The successful candidate will also possess the following key attributes:

- Strong knowledge of Directive 56 and ERCB regulations.
- Exceptional reporting and organizational skills.
- Superior business acumen and proven ability to recognized business opportunities and how they relate to ARC's overall performance.
- Exceptional relationship building capabilities and a collaborative working style.
- Strong computer skills including CS Explorer and ILand.

- Ability and willingness to travel to the field as required.
- Valid driver's license.
- High level of enthusiasm and willingness to take initiative.
- Excellent work ethic and ability to excel in a multi-disciplinary team environment.

Closing Date: February 12, 2011

Interested applicants are invited to apply via ARC's website at <http://arcresources.hgcareers.com/js/>

We thank you for your interest in ARC Resources Ltd. however, only those candidates selected for an interview will be contacted.
