

Darcy Bury-Opel

Senior Land professional with 25 years of experience throughout the Western Canadian Sedimentary Basin and in North Dakota, Montana, Missouri, Kansas, Kentucky and Texas with junior to intermediate sized companies. My experience includes negotiations, A&D, contract preparation, fee title and US mineral title review, mentoring and training junior personnel and I am well versed in Federal, Provincial and State oil and gas and environmental regulations. I am a team player with strong interpersonal skills and am proficient in a number of software applications. Available full or part time.
