

Volunteer Positions for the Public Relations Committee

The Public Relations Committee is responsible for promoting the CAPL and the land profession within industry and the communities in which it operates. Our goal is to educate and create awareness of the role of the Landman and the contributions made by our Association. We have several standing subcommittees which are responsible for the planning and execution of these goals and activities. The Committee currently requires the following:

1. An individual to volunteer their time to ensure that there is a designated photographer at each of our events.
2. Individuals with their own camera to volunteer their time taking photos at each of our events.
