

December 16, 2009

Mr. Ken Gummo, President
Canadian Association of Petroleum Landmen
500 5 Ave SW Suite 350
Calgary, AB T2P 3L5

Dear Mr.  Gummo,

Thank you!

The students, faculty and staff of the Haskayne School of Business are proud to have a friend who generously supports our initiatives to create a world class institution. Our students are bright, motivated and ready to contribute their new talents to the business community in Calgary, across Canada and around the world. Our alumni are amongst the best leaders, movers and shakers, and professional business people with star reputations.

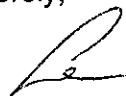

Your donation of \$125,000.00 to the Petroleum Land Management Endowment is greatly appreciated. We know that our continued success would not have been possible without your support. At Haskayne we believe that each and every donor has an inherent value that should be fully recognized.

See how your donor dollars are being used to create an outstanding learning environment, an expansion of student opportunities and keeping our alumni connected. Please take a moment and visit our **Donor Impact** page on the Haskayne Business School website:

<http://haskayne.ucalgary.ca/development/impact>

Together we are creating a future unlike any other.

Sincerely,

Dr. Leonard Waverman, PhD
Dean, Haskayne School of Business
