Dear Mr Gummo,

RE: Cheque Number 4263

The University of Calgary gratefully acknowledges your generous contribution of \$125,000.00 on December 14, 2009. Your gift has been designated in support of the Petroleum Land Management Endowment.

Great universities become great only through the type of community support that you have shown. Because of your vision and commitment, we are able to reach our goals of providing a superior learning experience for students, attracting the best and brightest, and supporting world-class research that is improving the lives of people everywhere.

At the University of Calgary we are focused on momentum, innovation and progress. While a 'young' university, our achievements in research, multi-disciplinary collaboration and experiential learning are being recognized as among the best of universities in Canada and around the world. And as we compete globally, we do so in a distinctively Calgary way – by being inventive, working with strategic partners, taking risks, and moving boldly and quickly to address the needs of our students and community.

The University is registered as a charitable organization with Canada Customs and Revenue Agency, registration No. 10810-2864-RR0001. In accordance with Canada Customs and Revenue Agency requirements, this letter is issued for disbursement quota purposes only and not for tax deduction or tax credit.

Thank you again for choosing to invest in the University of Calgary. With your support, we will continue to make great strides. With your partnership, we will move faster and farther. Together, we will imagine and shape the future.
