

BC ePayments Default Notifications – ending July 2010

Titles in default up to and including June 30, 2010 will continue to be acknowledged with a default notification. For title types encompassed by ePayments, the Titles Division will no longer be issuing Default Notifications, for titles that fall into default after that date. Please click on the link below to view to Information Letter No. TITLES-10-08, for further details:
