**Statement of Provincial Interest Meetings, September 7<sup>th</sup> and 9<sup>th</sup>, 2010**

The Community Planning Branch of the Ministry of Municipal Affairs is pleased to invite you to consult on the draft Statements of Provincial Interest (SPI). The SPI recognize the important relationships between economy, community, and environment and link local decision making with provincial priorities. Fifteen areas of interest common to municipalities and the province have been identified. The SPI are intended to:

- provide municipalities with direction on land use and development to manage change, improve quality of life and offer security to Saskatchewan communities;
- promote orderly and sustainable growth, economic diversification, and stability;
- encourage inter-municipal cooperation and mutually beneficial partnerships; and
- establish sound local and regional land use planning practices.

You are invited to attend one of two meetings being held in Regina and Saskatoon. The meetings are scheduled from 10am to 4pm, lunch will be provided.
