## **GAIO – SSRP Phase 2 Consultation News Release**

You now have until April 30, 2012 to fill out the phase 2 South Saskatchewan Regional Plan workbook. The online workbook provides Albertans with an opportunity to provide input on the South Saskatchewan Regional Advisory Council's Advice to the Government of Alberta for the South Saskatchewan Regional Plan. You will also have the opportunity to provide input during stakeholder and public sessions held throughout the region in February-March 2012. Once available, we will notify you of the exact dates via email, advertising, the Land-use Framework website and through posters in the region.

The extended workbook deadline recognizes that the government's task force on property rights is meeting with stakeholders this month and will conduct open houses in January to listen to Albertan's property rights concerns.

The [news release](#) provides more information on the workbook extension.

If you require a hardcopy of the workbook, please contact [LUF@gov.ab.ca](mailto:LUF@gov.ab.ca)
