

CAPL SOCIAL CLUB FIFTH ANNUAL FALL SALMON FISHING ADVENTURE

EMAIL SUMMARY – Great discounted Salmon Fishing trip with superb options, convenience of travel and planning to Langara Fishing Lodge from August 31 to September 4th, 2010 with the low cost being all inclusive of all fishing related costs including direct airfare, accommodation, meals, boats, guides, gear etc. This trip is completely organized and just requiring people wanting to have a great time and catch fish!

- ⇒ Did you wish you were one of the 62 people that went salmon fishing in 2006 or 77 that went in 2007 or 76 that went in 2008, or 84 in 2009?
- ⇒ Did you want to go last year and heard the first trip is already sold out?
- ⇒ Do you want another chance to trash talk your friends fishing abilities?

Well you are in luck as we are running another trip and this time in September 2010 to a premier lodge in the Queen Charlotte Islands.

Whether you are an avid sport fisherman, outdoor enthusiast or looking for something different for yourself, as a group or as a gift for someone, we are pleased to offer groups rates through Husky for an exciting, first class salmon fishing adventure from **August 31 to September 4, 2010**, to well known, respected and luxurious **Langara Fishing Lodge** ([Langara Fishing Adventure](#)) on the scenic and remote, north western tip of the Queen Charlotte Islands.

Langara Fishing Lodge has the history of over 25 years of fishing with the likes of Bob Hope, sports stars, politicians and community leaders. The area abounds with nature and the opportunities to see whales, eagles, seals, sea lions and sea birds, will surely make this trip a truly memorable experience. The rugged coastline will definitely bring out the adventurer in you and yet the quality of service, food, equipment and accommodations back at the lodge will pamper your inner soul."

These **5 day, 4 night packages with airfare** normally retail for over \$6,000, but we have secured a special group price of between **\$3,200** for no guiding, **\$3,350** for half days guiding, **\$3,450** to all day guided (19 foot boat) or **\$3,650** for full days fully guided fishing (24 foot boat). Although fewer options is easier to manage I am responding to peoples request for options. Regardless of which package you select you will be receiving daily expert advice and help and instruction on how to catch salmon, halibut, lingcod and snapper. This price includes everything needed to fish except for additional alcohol, massages, gift shop purchases and gratuities. This package price also includes a chance of winning up to **4 free trips in 2011**. Two trips will be awarded exclusive to our group should you catch the largest salmon or largest halibut! Also this trip will have trophies for the largest Coho, Chinook and Halibut to easily secure your bragging rights around the home or office. Additionally should someone from our group catch the biggest Chinook or Coho salmon out of all Langara guests during the month of September, you would win one additional free trips in 2011. This past the winning Chinook salmon was about 40bs. Therefore with a later trip the Chinooks should be cooperating and we can all hope to limit out. Additionally there are plentiful halibut, lingcod and snapper in the waters around the lodge and a chance to catch an early Sockeye, Chum, Pink or even an Coho.

You are free to invite friends, co-workers and family as the main goal is to secure 36 interested people to take advantage of this price and the special charter flight. All spots are filled on a first come, first serve basis and for a limited time. I will take a waiting list once all spots are filled. We can accommodate individuals as well as groups and can even put 3 or 4 people into one of the larger guide boats which will make for some fun times and interesting stories for years to come! You will definitely need a camera for this trip!

Please note, the biggest draw here besides the fishing, price and the location is the **DIRECT FLIGHT** from Calgary to Masset and return. We will receive proven super convenience and exceptional time savings by having this charter flight.

Please take some time to consider this opportunity and let me know how many spots you want reserved. This may make an excellent corporate get away or just a fishing trip of a lifetime! This trip, ranging in price from \$3,200 to \$3,650 depending upon your guiding preferences are all inclusive with tax (excluding alcohol and gratuity) and includes such things as standard fishing gear, fishing license, fish cleaning, packaging, freezing and shipping, excellent rain gear, boat, guide, airfare to the Queen Charlottes, awesome helicopter trip to the lodge, transportation, all meals etc.

If interested in securing a spot, please contact **Kevin Egan** direct at 298-6194 or via email at kevin.egan@huskyenergy.com to discuss. Please forward via email the names, addresses, phone number, and emails of all those interested along with forwarding a deposit check in the amount of \$1,500 payable to "**2010 Husky QC Salmon Trip**". The balance will be due before the end of June 2010. Please note that in the past these trips have filled up in 3-7 days. Please note that a June 8-12, 2010 trip is also planned.

I _____ wish to attend this August 31 to September 4, 2010, trip and herein enclose my check in the amount of \$1,500 to guarantee my spot.
